PRODUCE EFFICIENTLY BE INDUSTRY OF INTEGRITY

AFA TECHNICAL CONFERENCE

Has become a landmark event for industry actors, manufacturers, and suppliers of equipment, technology, services, and R&D in various areas linked to the fertilizer industry.

26 - 28 JUNE // Casablanca// Morocco

CONFERENCE & EXHIBITION

Arab Fertilizers Association (AFA) is pleased to announce that the 31st AFA International Fertilizers Technology Conference will take place in Casablanca, Morocco during the period: 26-28 June 2018 with cooperation with OCP

2018

AFA TECHNICAL CONFERENCE WILL PROVIDE

LATEST
Technologies

news & practices from
industry professionals

EXPAND
your network

meet the industry's senior executives
with a line up of international speakers

DEVELOP
practical solution

through detailed case studies
benefiting from discussions with
engineering professional

31ST AFA TECH.CONFERENCE

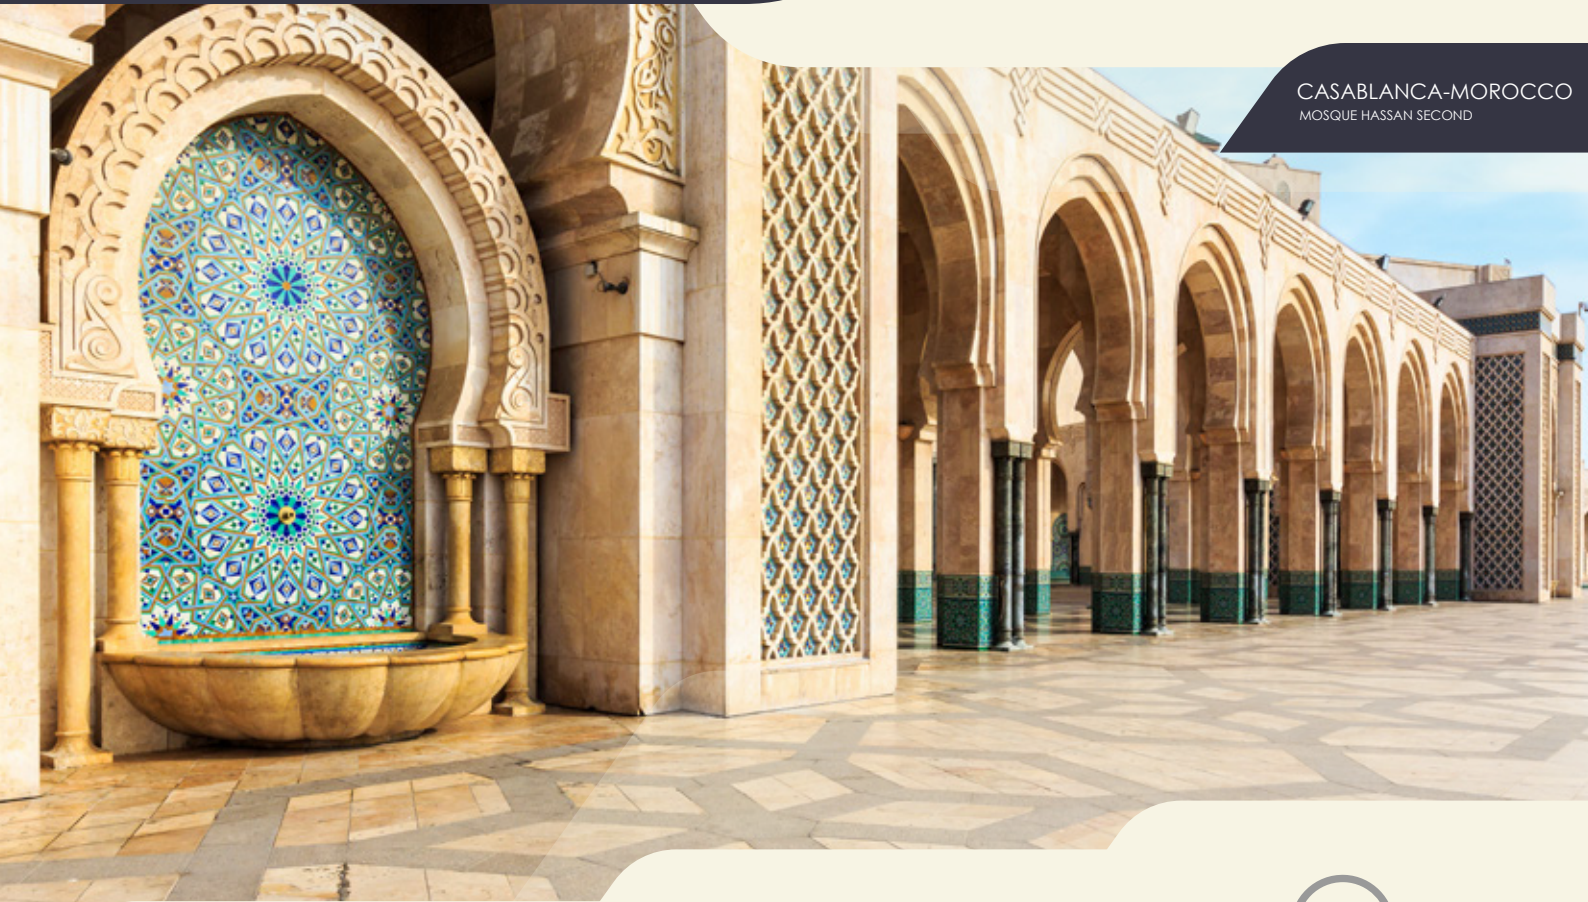

Arab Fertilizer Association

ATTENDEES

From all over the world
Hear from 20+ Fertilizer
Experts during the
conference

MOSQUE HASSAN SECOND

EXCHANGE Platform

Exchange information
& innovative ideas

SHARING Ideas & information

DISCUSSING Best practices

with an emphasis on sustainable
development and environmental
preservation

Why attend ?

- Hear Latest Tech. news & practices from industry professionals
- Broaden your horizon by benefiting from discussions with 400 engineering professional
- Expand your network and meet the industry's senior executives
- 3 Hrs networking opportunities
- Expand your network and meet the industry's senior executives
- Technical visit to the OCP production site

Who should attend ?

- ✓ Producers
- ✓ Manufacturers and suppliers of equipment
- ✓ Industry leaders operating in fertilizer industry
- ✓ Specialized design and engineering offices
- ✓ Technologies and additives for fertilizer industry
- ✓ New technology developers
- ✓ Institutes and R & D Establishments

CONFERENCE HIGHLIGHTS

- Process, Innovation, Technology and R&D
- Equipment & Maintenance
- Energy Saving
- Health, Safety & Environment

WHATS NEW ?

- Increased number of successful case studies & real best practices
- Extra space for unrivaled Networking opportunities
- Professional solutions & business recommendations from the experts
- free collaterals & prints

TECHNOLOGY INNOVATIONS AND IMPROVEMENTS

- Best Available Technology
- NPK Plant Design
- Specialty fertilizer production technology innovation
- Process and efficiency improvements
- Capacity enhancements and product diversification
- Best Approaches in Mining Activities
- catalysts and Chemical : Latest developments

EQUIPMENT & MAINTENANCE:

- Maintenance troubleshooting and problem solving.
- Materials Selection and Upgrading
- Enhancing plant efficiency with advanced process control
- Optimization of process and Maintenance
- Maintenance Management
- Improvements in packaging, materials handling, and distribution systems.

ENERGY SAVING

- Sustainable Water Management in Fertilizer Industry
- Way to improve the energy efficiency in fertilizer production
- Life-cycle energy balance of fertilizers

HEALTH, SAFETY, AND ENVIRONMENT

- Advances in environmental efficiency and strategies for compliance
- Best practice health and safety initiatives
- Innovative waste management techniques
- Learning from environmental incidents
- Process safety management

CASE STUDIES DEMONSTRATING

- Practical solutions to operational problems
- Process and efficiency improvements
- Equipment improvements and optimization
- Problems associated with General Maintenance & Inspection

ACCOMPANIED EXHIBITION

The accompanied exhibition offers an unrivalled forum for companies to present their new equipment and materials, services or technology to the industry's most senior executives, potential customers and to reinforce relationships with existing clients.

We therefore strongly recommend the immediate participation to the accompanied EXHIBITION

We offer an exhibitor's package which includes

Free

Registration for one exhibitor

Access

Conference areas & presentation papers

Attendance

breaks & luncheons
