LEVERAGING CARBON MARKETS & EU POLICIES (CBAM) FOR GREEN FERTILIZER - TECHNICAL WEBINAR

Date: November 19, 2024

Time: 12:00 PM, Cairo Time

Duration: 1 Hour

SPEAKER

Sonja Butzengeiger-Geyer
Managing Partner
Perspectives Climate Group GmbH

MODERATOR

Mohamed Kamar
Technical Director
Arab Fertilizer Association

In light of the growing impact of climate policies on global industries, this session will delve into the complexities of carbon markets, providing valuable insights into current EU regulations and their implications for the fertilizer sector. Perspectives Climate Group, renowned for their expertise in climate strategy, will guide us through the latest developments, challenges, and opportunities these regulations bring for our industry.

This is an excellent opportunity to deepen your understanding of carbon market dynamics and regulatory trends that may shape operational strategies and environmental commitments for years to come. We look forward to your participation in this important discussion.

AGENDA

1. Overview: how carbon markets & climate finance instruments can support low-carbon fertilizer
2. Deep dives:
 - 2.1 Art. 6 & Voluntary Carbon Markets
 - 2.1.1. Green Ammonia
 - 2.1.2 N2O emissions during production & use
 - 2.2 EU CBAM
3. Questions & Answers
